Dear Customer,

To expand our manufacturing capabilities for Heparin, we are pleased to inform you that we will be transitioning the supply of Heparin Sodium Injection, USP 10,000 USP Units/10 mL (1,000 USP Units/mL) Multiple Dose Glass Fliptop Vial to another Pfizer manufacturing site allowing for expanded capacity and redundancy for this important product. Pfizer Injectables is committed to keeping you informed on product ordering changes so that appropriate plans can be made.

To support this transition, we are currently depleting inventory on the NDC code 00409-2720-02. Please continue to order this product until product is no longer available. The New NDC code is 00069-0058-01, as noted in the table below.
